

MSI expert SERIES

WEBINAR:

Navigating cryptocurrency regulations:

Thursday, 25 April 2024

10:00AM - ET (New York)

Duration: 60min (incl. Q&A)

Join us for this engaging webinar on the rapidly evolving world of cryptocurrency. This webinar will provide invaluable knowledge on the regulatory landscape and future of cryptocurrency.

MSI experts will share latest insights and discuss examples of recent cryptocurrency developments, including regulatory frameworks, market trends, and case studies from both Singapore and the USA.

This webinar will cover:

- Current regulations and legislative approaches in Singapore and the US
- The Securities and Exchange Commission's (SEC) stance on cryptocurrency regulation
- Recent case examples from Singapore and the US
- The outlook for cryptocurrency and opportunities for firms

A distinguished panel of MSI experts will provide practical advice and address your questions::

- Ferris Yu, Of Counsel, Tito Isaac & Co LLP
- Howard A. Fischer, Partner, Moses Singer
- Nicholas Cai, Associate, Tito Isaac & Co LLP
- Thomas A. Brady, Director, Clyde Snow
